

**RESOLUTION BY NFRA DEMANDING A FORENSIC AUDIT IN THE
UNITED STATES OF AMERICA OF THE NOVEMBER 3, 2020 ELECTION**
(Submitted By: Lou Marin, Florida National Director & President, Florida Republican Assembly, Orange County Chapter)

WHEREAS the Florida Republican Assembly is duly chartered by the National Federation of Republican Assemblies;

WHEREAS the citizens' right to vote is a fundamental right to establishing representative government;

WHEREAS federal and State law guarantee citizens that their voting rights shall be free from interference and fraud;

WHEREAS transparency and integrity of the electoral process is necessary for the legitimacy of representative government;

WHEREAS each American government, State, local and federal, has a fundamental duty to guard the voting rights of its citizen electors by ensuring honest elections, and preserve the citizens' control of their government;

WHEREAS existing law has been evaded by fraudulent use of undocumented paper ballots and unaudited computer software to produce fraudulent vote counts in our 2020 Presidential elections;

WHEREAS a large number, possibly a majority, of American Citizens have come to believe that the November 3, 2020 election was subverted by massive voting fraud conducted by agents of the Democratic Party, and that few remedial steps are being taken by the lawful authorities; and

WHEREAS a majority of citizens doubt that the number of legal votes cast for each candidate equaled the reported and certified results in United States of America, generally;

NOW THEREFORE, be it RESOLVED by the directors of the National Federation Republican Assemblies, by unanimous vote, that:

- 1. The National Federation Republican Assemblies calls on all political parties, Republican, Democrat, and others, at the state, county and municipal level in United States, to demand a full forensic audit statewide, subject to the laws of each state:**
- 2. The National Federation Republican Assemblies demands an immediate open, transparent and independent full forensic audit including a hand recount of ALL states, with inspection of Dominion and ES&S voting machines for unauthorized modems; in line with the procedures of the audit being conducted in Maricopa County, Arizona;**

Witness my hand and seal verifying the forgoing Resolution and unanimous vote, this 8th day of October, A.D. 2021.
